1.0.0 GENERAL ADMINISTRATION**1.1.0 SHORT TITLE**

This Town of Turner Valley Land Use Bylaw shall be referred to hereafter as this Bylaw.

1.2.0 REPEAL OF BYLAW

Bylaw No. 97-753 and all amendments thereto are hereby repealed and shall cease to have effect on the day this Bylaw is adopted.

1.3.0 DISTRICTS

The Town is divided into districts and the boundaries of those districts are shown on the Land Use Map which is attached as Schedule "A" to this Bylaw.

1.4.0 USES AND REGULATIONS

Except as otherwise permitted in this Bylaw, development and subdivision in each district shall be in accordance with the uses listed in the district for the site on which it is proposed and the regulations and guidelines of this Bylaw.

1.5.0 COMPLIANCE WITH OTHER LEGISLATION

In addition to this Bylaw, an applicant is responsible for complying with any federal, provincial, or municipal legislation, including any Development Agreement or Development Permit. The applicant is also responsible for complying with the conditions of any easement or covenant which affects the development or subdivision.

1.6.0 INTERPRETATION

Notwithstanding the terms provided within, the Municipal Government Act [MGA] and its amendments take precedence in case of dispute on the meanings of all terms or phrases.

1.7.0 METRIC STANDARDS

In this Bylaw approximate Imperial equivalents are indicated in brackets following the Metric requirements. The Imperial figures are provided for information only and in all cases the Metric figures shall govern.

2.0.0 DEFINITIONS

In this Bylaw, and any amendments made hereto, unless the content otherwise requires, the interpretation set out in the following subsections shall be used.

“abattoir” means the use of land, or building, in which animals are slaughtered and may include the packing, treating, storing and sale of the product.

“accessory building” means a building which does not accommodate the principal use of a site and which is not attached above grade to a principal building. This use class includes private garages and private tennis courts;

“accessory use” means a use which is subordinate or incidental to the principal use of the site;

“agricultural related business” means a development used for the retail sale, repair and maintenance of new or used agricultural equipment or other agricultural supply businesses;

“antenna structure” means equipment external or attached to the exterior of any building designed to transmit or receive electronic signals;

“apartment” means a building containing three or more dwelling units having common corridors and stairways and having shared exit and entrance facilities;

“attached housing” means a building designed and built to contain three or more dwelling units separated from each other by a fire rated wall with each unit having separate entrances from grade level. (For purposes of this Bylaw, Garden, Linked, Row and Townhouse units which meet these criteria are considered to be attached houses);

“auto-body and paint shop” means premises where the bodies, but not other parts, of motor vehicles are repaired and where motor vehicle bodies and other metal machine components or articles may be painted;

“automotive specialty shop” means an establishment for the servicing and repair of motor vehicles, and includes such facilities as alignment shops, muffler shops, transmission repair shops, rust proofing shops, tire sales and service and car washes. This use class does not include service stations or auto body and paint shops;

“balcony” means an elevated platform projecting from a wall with no support from the ground, having an outer railing or parapet and being greater than 0.61m (2.00 ft.) in width;

“basement” means that portion of a building between two floor levels which is partly underground and has not more than one half of its height from finished floor to finished ceiling above finished grade;

“bed and breakfast accommodation” means an accessory use in a dwelling in which rooms are provided with or without meals for pay, for the traveling or vacationing public.

“billboard” means a sign where advertising matter is set in view and which advertising does not apply to the premises upon the site that the sign is maintained. The advertisement copy is pasted, glued, painted or otherwise fastened to permit its periodic replacement;

“bottle depot” means a facility used to receive, warehouse and transport refundable beverage and other like containers for purposes of recycling;

“buffer” means a row of trees, shrubs, earth berm or fencing to provide visual screening and separation between sites and districts;

“building” includes anything constructed or placed on, in, over or under land but does not include a highway or public roadway;

“building supply center” means a commercial retail store where building materials, household accessories and other related goods are stored, offered, or kept for sale and may include outside storage;

“bulk fuel storage and distribution facility” means a development for the purpose of storing natural gas and petroleum products for distribution to customers;

“business support services” means a use which provides support services to businesses which are characterized by one or more of the following features: the use of minor mechanical equipment for printing, duplicating, binding or photographic processing; the provision of office security; and the repair or servicing of office equipment and machines. Typical uses include printing establishments, film processing establishments, janitorial firms and business equipment repair shops;

“canopy” means a non-retractable solid projection extending from the wall of the building intended to be used as a protection against weather, other than normal architectural features such as lintels, sills, moldings, architraves and pediments, but includes the structure known as the theatre marquee and is to be considered part of the principal building and is considered part of the building to which it is attached;

“car washing establishment” means a facility for the washing, cleaning, or polishing of motor vehicles;

“child care facilities” means development licensed by the Province to provide daytime personal care and education to children, but does not include overnight accommodation. Typical uses include daycare centers, day nurseries, kindergartens, nursery schools, play schools, and out of school care centers;

“community buildings and facilities” means buildings and facilities which are available for the use and enjoyment to the inhabitants of the Municipality and the rural area for the purposes of assembly, culture and recreational activity;

“completed” means that **all** components of the development including but not limited to:

- a) exterior finish materials including roofing (i.e. asphalt shingles), siding (i.e. vinyl siding, stucco etc.), soffit, fascia, eavestrough and parging,
- b) on site servicing,
- c) off-site improvements,
- d) parking, and
- e) landscaping

have been installed to a standard satisfactory to the Development Authority;

“convenience store” means the use of a building or portion thereof with a gross floor area of less than 465 square meters, for the sale of foodstuffs and convenience goods to serve the needs of residents in the immediate neighbourhood;

“corner” means the intersection of the side and front property lines;

“Council” means the Council of the Town of Turner Valley;

“deck” means an unenclosed flat-floored roofless area adjoining a principal building or built as a structural part of it with a floor surface more than 0.3m (1.00 ft.) above grade and is considered part of the building to which it is attached;

“development” means:

- a) an excavation or stockpile and the creation of either of them, or
- b) a building or an addition to, or replacement or repair of a building and the construction or placing in, on, over or under land of any of them, or
- c) a change of use of land or a building or an act done in relation to land or a building that results in or is likely to result in a change in the use of the land or building, or
- d) a change in the intensity of use of land or a building or an act done in relation to land or a building that results in or is likely to result in a change in the intensity of use of the land or building;

“Development Authority” means the person or persons delegated by the authority to exercise development powers and duties on behalf of the Municipality pursuant to the MGA;

“Development Officer” means the official or officials of the Municipality appointed by council to act as a Development Authority with the responsibility of receiving, considering and deciding on applications for development under this Land Use Bylaw;

“development permit” means a certificate or document permitting a specified development and includes where applicable, a plan or drawing or a set of plans or drawings, specifications or other documents. This permit is separate and distinct from a building permit;

“discretionary use” means a use of land or of a building which is listed in the Land Use Rules section for each district as “Discretionary Uses” and for which, subject to the provisions of this Bylaw, a development permit may be issued;

“drinking establishment” means an establishment, licensed by the Alberta Liquor Control Board, in which alcoholic beverages are served for consumption on the premises, and any preparation or serving of food is accessory thereto, and includes a licensed lounge that is ancillary to a restaurant;

“duplex” means a building designed and built for and containing two side by side or one above the other dwelling units separated by a firewall;

“dwelling accommodation” means one or more dwelling units in a building or on a site which also contains non-residential uses;

“dwelling group” means two or more buildings each containing one or more dwelling units, located on a site or a number of adjoining sites where all buildings, recreation areas, vehicular areas, landscaping and all other features have been planned as an integrated development. A dwelling group continues to be considered a dwelling group for purposes of this Bylaw in the event the dwelling group is subdivided under either a bare land condominium, building condominium or both;

“dwelling unit” means a set or a suite of rooms used as a residence whether or not cooking or bathroom or toilet facilities are contained therein;

“easement” means a right to use land generally for access to other property or as a right-of-way for a public utility;

“entrance” means the main access point to a site or building that is generally oriented to the main street and serves a point of entry function;

“environmental reserve” means land specified to be environmental reserve or environmental reserve easement by the Subdivision Authority pursuant to the MGA;

“existing” means existing as of the date of adoption of this Bylaw;

“extensive agricultural” means systems of tillage and animal husbandry through which one may gain livelihood from large areas of land by the raising of crops or the rearing of livestock either separately or in conjunction with one another in unified operations and includes buildings and other structures incidental to the operation;

“fence” means a vertical physical barrier constructed to provide visual screening or to prevent unauthorized access;

“financial institution” means a bank, trust company, credit union, or similar establishment;

“flood fringe” means the area in the flood risk area where floodwaters are shallower and move more slowly. Development in the flood fringe may be permitted provided that it is adequately flood-proofed;

“flood risk area” means the area which would be inundated by a 1 in 100 year flood, or which has a 1% chance of being equaled or exceeded in any year;

“floodway” means the area in the flood risk area with the greatest risk. Floodway waters are the deepest and most destructive. New structures and development prone to flood damage are not permitted;

“floor area” means the gross floor area defined by the outside dimensions of the building for each floor from the centre line of a firewall or walls in the case of a building bay;

“four-plex” means a single building comprised of four dwelling units with each unit having direct entrance from outside;

“garage” means a private accessory building designed and used for storage of motor vehicles and includes a carport;

“gas bars” means premises used or intended to be used for the sale of fuel, lubrication oils and associated automotive fluids only. This use class does not include service stations;

“grade”

- a) in residential districts means the average elevation of the natural or finished level of the ground adjoining a building at all exterior walls;
- b) in all other districts means the elevation, established by the Municipal Engineer, of the crown of the abutting street. In the event that two grades are involved, the average of the two shall be used as the grade for the site;

“gross floor area” means the total floor area of each floor of a building excluding the basement measured to the outside surface of the exterior walls or, where buildings are separated by firewalls, to the centre line of the common firewall;

“group home” means a development consisting of the use of a building as a facility which is authorized by a public authority to provide room and board for three residents or more, exclusive of staff or the receiving household, for foster children or disabled persons, or for persons with physical, mental, social or behavioral problems, and which may be for the personal rehabilitation of its residents either through self help or professional care, guidance and supervision. The residential character of the development shall be primary, with the occupants living together as a single housekeeping group and using cooking facilities shared in common. This does not include extended medical treatment services such as drug and alcohol addiction treatment centers' or correctional group homes used as custodial facilities.”

03-878 Adopted January 8, 2003

“habitable floor area” means the total area used for habitation including kitchen, bathroom, hallway, bedrooms, living room, stairways and closets;

“height” means, when used with reference to a building or structure, the vertical distance measured from grade level to the highest point of a building or structure, excluding a roof stairway entrance, elevator shaft, a ventilating fan, a skylight, a steeple, a chimney, a smoke stack, a fire wall or parapet wall, a flag pole, antenna or similar device not structurally essential to the building. In the case of sites with varying grades, the average of the four corners of the building or building may be used to calculate building height;

“home occupation” means any occupation, trade, profession, or craft carried out by an occupant of a residential building as a use accessory to the residential use of the building, and which does not change the character thereof or have any exterior evidence of such accessory use. A home occupation does not include the keeping of stock-in-trade unless otherwise approved by the Development Authority. Home occupations are divided into two categories:

- a) Minor - home occupations are those which do not employ any person outside of the home, nor generate traffic uncharacteristic of the area, nor extend beyond the confines of the residential unit, and
- b) Major - home occupations are those which may utilize accessory buildings, employ up to two persons and may not generate traffic uncharacteristic to the neighbourhood or visible outside storage;

“hotel” means a building used primarily for sleeping accommodations and ancillary services provided in rooms or suites of rooms which may contain bar/kitchen facilities; the building may also contain commercial or other uses and may or may not offer such additional services as party facilities, restaurant or dining room services, or public convention facilities;

“household service shop” means a development used for the provision of services to a household and includes services to an individual which are related to the care and appearance of the body or the cleaning and repair of personal effects. Typical uses include barber shops, beauty parlors, tailors, dressmakers, shoe repair shops, dry cleaning establishments, laundromats, pet grooming shops, photographic studios, small appliance repair and service shops and instructional classes and may include accessory retail sales.

03-875 Adopted November 3, 2003

“industrial use” means the use of land, or building for one or more of the following:

- a) carrying on of any process of manufacture, processing, fabrication or assembly of raw materials;
- b) dismantling and separating into parts of any article, machinery or vehicle;
- c) repairing and servicing of all vehicles, machinery and buildings;
- d) warehousing or bulk storage of goods and related accessory uses;

5.0.0 DECISION PROCESS

5.1.0 DECISIONS ON PERMITTED AND DISCRETIONARY USES

5.1.1 A development permit does not come into effect until fourteen days after the date the approval is publicized as described in Section 5.3.0.

5.1.2 In making decisions on development permit applications for “Permitted Use” the Development Officer shall approve an application for a development permit, with or without conditions, where:

- a) the proposed use of the site is a permitted use in the district for which the site is designated; and
- b) the proposed development conforms in every respect to the regulations of the district and this Bylaw, or within the variance provisions as described in Section 5.2.0;

and thereafter shall provide notice in accordance with Section 5.3.2.

5.1.3 In making a decision on an application for a development permit for a “Discretionary Use” or a variance to a regulation the Development Authority may:

- a) approve the application; or
- b) approve the application subject to conditions and restrictions considered appropriate or necessary; or
- c) refuse the application;

and thereafter shall provide notice in accordance with Section 5.3.2. The Development Authority may make additional notification for decisions on Discretionary Uses as described in Section 5.3.3.

5.1.4 The Development Authority shall refuse an application for a development permit which does not meet the requirements of this Bylaw, unless a variance is granted subject to Section 5.2.0.

5.1.5 When the Development Authority refuses an application for a development permit, the decision shall outline the specific reasons for the refusal, the time periods in which the applicant can make an appeal and to whom.

5.1.6 Where an appeal is made pursuant to Section 6.0.0 of this Bylaw, a development permit which has been granted shall not come into effect unless a decision has been made on the appeal by the Subdivision and Development Appeal Board.

5.1.7 Council shall consider the view of the Municipal Planning Commission in making its decision on an application for a development permit within a Direct Control District.

5.1.8 The Development Authority shall not issue a permit for a development which is to be serviced by private sewer and water system until the systems have been approved by the appropriate Municipal and Provincial departments.

5.1.9 The Development Authority shall consider and decide on applications for development permits within forty days of the receipt of the application in its complete and final form.

5.2.0 VARIANCES

5.2.1 The Development Officer or Municipal Planning Commission may approve an application for a development permit where the permitted or discretionary use does not meet the regulations of this Bylaw if, in the opinion of the Development Authority that:

- a) the proposed development would not unduly interfere with the amenities of the neighbourhood; or materially interfere with or affect the use, enjoyment or, value of neighbouring properties; and
- b) The Development Authority may allow a minor variance for a total of 30% to any or all of the following requirements when considering development permits and requests for Certificates of Compliance where, in the Development Authority's discretion such variance does not unduly affect the amenities, use or enjoyment of the site or neighbouring properties:
 - i) front yard setback
 - ii) side yard setbacks
 - iii) rear yard setback
 - iv) height of building requirement

5.3.0 ISSUANCE AND NOTIFICATION OF DEVELOPMENT PERMIT

5.3.1 A development permit issued pursuant to this Bylaw is not a building permit and, notwithstanding that plans and specifications for buildings may have been submitted as part of an application for a development permit, work or construction shall neither commence nor proceed until a building permit has been issued pursuant to applicable bylaws and regulations.

5.3.2 When an application for a development permit is approved for a permitted or discretionary use with or without conditions, the Notice of Decision shall be sent by ordinary mail to the applicant and a notice shall be posted conspicuously on the property for which the application has been made.

5.3.3 In addition to Section 5.3.2 and at the discretion of the Development Authority a notice of decision may be:

- a) sent by ordinary mail to all owners of land on record at the municipal office within 60m (196.85 ft.) of the site.
- b) published in a newspaper circulating in the Municipality. Such notice shall indicate the legal description, municipal address, the nature of the development, the right of appeal and to whom appeal should be served.

5.3.4 When an application for a development permit is refused, the Notice of Decision shall be sent by ordinary mail to the applicant.

5.3.5 For purposes of this Bylaw, Notice of Decision of the Development Authority on an application for a development permit is deemed to have been given and to have been received:

- a) in the case of a decision of refusal on an application for a development permit, the date that Notice of Decision is sent by ordinary mail to the applicant;
- b) in all other cases, when the Notice of Decision is posted on the property for which the application has been made.

5.3.6 A development permit shall not be issued until fourteen days after the Notice of Decision has been given pursuant to Section 5.3.2.

5.3.7 When an appeal is made pursuant to the MGA, a development permit which has been approved shall not be issued unless and until the decision of the Development Authority is upheld by the Subdivision and Development Appeal Board.

5.4.0 DEVELOPMENT PERMIT RE-APPLICATION

5.4.1 When an application for a development permit has been refused pursuant to this Bylaw or ultimately after appeal pursuant to the MGA, the submission of another application for development permit on the same site for the same or for a similar use of the land by the same or any other applicant may or may not be accepted at the discretion of the Development Authority for at least six (6) months after the date of refusal.

5.5.0 EXPIRY OF A DEVELOPMENT PERMIT

5.5.1 If the development authorized by a development permit is not commenced within twelve (12) months from the date of its issue, and completed (see definition for completed) within twenty four months of issuance of the permit, the permit is deemed to be void unless the time for commencement or completion of the development is extended by the agency that made the decision. In the event that a permit is deemed void, the Municipality may take enforcement action in accordance with the MGA and this Bylaw to remedy any non-compliance with this Bylaw.

5.5.2 If all or portions of a development authorized by a development permit are not completed in accordance with the approval granted, the permit is deemed void. In the event that a permit is not completed in accordance with the approval granted, the Municipality may take enforcement action in accordance with the MGA and this Bylaw to remedy any non-compliance with this Bylaw and the approval granted.

6.0.0 APPEALING A DECISION

6.1.0 PERMIT DEEMED REFUSED

6.1.1 As pursuant to the MGA an application for a development permit shall, at the option of the applicant, be deemed to be refused when a decision thereof is not made within forty days after the receipt of the application in its complete and final form by the Development Authority, unless the applicant has entered into an agreement with the Development Authority to extend the forty day period, and the applicant may appeal in writing as provided in the MGA as though he had received a decision of refusal.

6.2.0 RIGHT OF APPEAL

6.2.1 The person applying for the permit or affected by an order under the MGA may appeal to the Subdivision and Development Appeal Board, if a Development Authority:

- a) refuses or fails to make a decision on a development permit within forty days of receipt of a completed application;
- b) issues a development permit subject to conditions, or
- c) issues a stop work order pursuant to the MGA.

6.2.2 Notwithstanding 6.2.1, no appeal lies in respect of the issuance of a development permit for a permitted use unless the provisions of this Bylaw are relaxed, varied or misinterpreted pursuant to the MGA.

6.2.3 The person who receives a written order to remedy pursuant to the MGA may request council to review the order by written notice within fourteen days of the date the order is received.

6.2.4 Pursuant to the MGA, if a decision on a Direct Control permit is made by a Council, there is no appeal to the Subdivision and Development Appeal Board.

6.2.5 If a decision on a Direct Control permit is made by the Development Authority, the appeal is limited to whether the Development Authority followed the direction of Council. If the Subdivision and Development Appeal Board finds that the Development Authority did not follow the direction made by Council, it may substitute its decision for that of the Development Authority.

6.3.0 APPEAL PROCESS

6.3.1 An appeal by an applicant may be commenced by filing a notice of the appeal containing specific reasons, with the Secretary of the Subdivision and Development Appeal Board within fourteen days after:

- a) notification of the issuance of the development permit in writing by the Development Authority, or
- b) the forty day period has expired.

6.3.2 An appeal by an affected person may be commenced by filing a notice of the appeal containing reasons, with the Secretary of the Subdivision and Development Appeal Board, within fourteen days after the date on which the notice of issuance of the permit was posted in accordance with 5.3.2.

6.4.0 PUBLIC HEARING

6.4.1 Pursuant to the MGA, the Subdivision and Development Appeal Board must hold an appeal hearing within thirty days of the receipt of a notice of appeal.

6.4.2 The Subdivision and Development Appeal Board must give at least five (5) days notice in writing of the hearing:

- a) to the appellant;
- b) to the Development Authority whose order, decision or development permit is the subject of the appeal; and
- c) to those owner(s) required to be notified under this Bylaw and any other person that the Subdivision and Development Appeal Board considers to be affected by the appeal and should be notified.

6.4.3 The Subdivision and Development Appeal Board must make available for public inspection before the commencement of the hearing all relevant documents and materials respecting the appeal, including:

- a) the application for the development permit, the decision rendered by the Subdivision or Development Authority and the notice of appeal; or
- b) a stop work order(s) and or order(s) to remedy according to the MGA.

6.4.4 In 6.4.2 owner(s) refers to the person(s) shown as the registered owner of the land on the assessment roll.

6.4.5 At the hearing, the Subdivision and Development Appeal Board must hear:

- a) the appellant or any person acting on behalf of the appellant;
- b) The Development Authority from whose order, decision or development permit the appeal is made, or the person acting on his/her behalf,
- c) any other person who claims to be affected and that the Subdivision and Development Appeal Board agrees to hear or someone acting on that persons behalf.

6.4.6 In determining an appeal, the Subdivision and Development Appeal Board:

- a) must comply with the provincial land use policies, statutory plans and Section 6.4.6 (c);

- b) may confirm, revoke or vary the order, decision or development permit or any condition attached to it or may make or substitute an order, decision or permit of its own.
- c) may make an order or decision or issue or confirm the issuance of a development permit even though the proposed development does not comply with this Bylaw if, in its opinion:
 - i) the proposed development would not:
 - (a) unduly interfere with or affect the use, enjoyment or value of neighbouring properties, and
 - (b) materially interfere with or affect the use, enjoyment or value of neighbouring properties,
 - ii) the proposed development conforms with the prescribed use for the land or building as defined in this Bylaw.

6.4.7 The Subdivision and Development Appeal Board must give its decision in writing together with reasons for the decision within fifteen (15) days of concluding the hearing.

6.5.0 COURT OF APPEAL

6.5.1 Pursuant to the MGA, an appeal lies to the Court of Appeal on a question of jurisdiction or law with respect to:

- a) a decision of the Subdivision and Development Appeal Board, or
- b) the Municipal Government Board on a decision of an appeal under Section 619 of the MGA, an inter-municipal dispute under Division 11 of the MGA or a subdivision appeal.

6.5.2 An application for leave to appeal pursuant to 6.5.1 must be made to a judge of the Court of Appeal within thirty days after the issue of the decision sought to be appealed, and notice of the application must be given to:

- a) the Municipal Government Board or the Subdivision and Development Appeal Board, and
- b) any other person(s) that the judge directs.

7.0.0 DUTIES AND RESPONSIBILITIES OF ADMINISTRATIVE AGENCIES

7.1.0 DEVELOPMENT OFFICER

7.1.1 The Development Officer

- a) Shall keep and maintain for the inspection of the public during office hours, a copy of this Bylaw and all amendments thereto and ensure that copies of same are available to the public at reasonable charge;
- b) shall keep a register of all applications for development, including the decisions thereon and the reasons therefore, and all orders for a minimum period of seven years;
- c) shall receive, consider and may decide on applications for a development permit;
- d) may refer development permit applications to the Municipal Planning Commission for a decision;
- e) shall advise the applicant of an application for a use which is not listed as a “Permitted Use” or “Discretionary Use” in the district in which the building or land is situated, of his option of applying to Council for an amendment to this Bylaw;
- f) shall sign and issue all approved development permits; and issue all decisions and notices;
- g) shall carry out duties as prescribed in the MGA with regard to appeals or designate a person to do the same;
- h) shall perform such duties as established by Council to enforce this Bylaw in conformance with the MGA;
- i) may initiate lawful action as described in Section 9.0.0 of this Bylaw necessary to ensure compliance with or prevent violation of this Bylaw;
- j) may in accordance with Division 4 of the MGA, enter onto the land or into a building for the purpose of ensuring compliance with this Bylaw.

7.2.0 MUNICIPAL PLANNING COMMISSION

7.2.1 The Municipal Planning Commission shall:

- a. Decide upon all development permit applications referred to it by the Development Officer;
- b) consider and decide on requests for a time extension to a development permit;
- c) not allow the permanent use of land or a building not listed as a “Permitted Use” in the district in which the building or land is situated. May consider uses similar in character and purpose to those listed under “Discretionary Use”;

- d) perform such other duties as described or implied in this Bylaw or as may be assigned by Council.

7.3.0 SUBDIVISION AND DEVELOPMENT APPEAL BOARD

7.3.1 The Subdivision and Development Appeal Board is hereby established and shall hear all appeals in respect of decisions made pursuant to the MGA on development permits and applications for subdivision. Any decision of the Development Authority may be appealed to the Subdivision and Development Appeal Board in accordance with Section 6.0.0 of this Bylaw and any decision of the Subdivision and Development Appeal Board may be appealed to the Court of Appeal on a question of law or jurisdiction in accordance with the MGA.

7.4.0 DEVELOPMENT REFERRALS

7.4.1 The Development Authority shall refer to any adjacent municipality for consideration and recommendation on any matter or any application for a development permit that if in their opinion, it is:

- a) in the interest of an adjacent municipality;
- b) subject to any inter-municipal agreements or plans.

7.4.2 The Development Authority may refer for comment any matter or any application for a development permit to any authority it deems necessary.

7.4.3 Having received a reply on a matter referred to any adjacent municipality, or any authority, the Development Authority shall give due consideration to the aforesaid recommendations.

7.4.4 After thirty days from the date of referral, the application may be dealt with by the Development Authority whether or not comments have been received.

8.0.0 FORMS, NOTICES AND FEES

8.1.0 For the purpose of administering the provisions of this Bylaw, Council may by resolution authorize the use of such forms and notices and the imposition of such fees as in its discretion it may deem necessary or desirable.

8.2.0 The forms, notices or fee schedules authorized by Council pursuant to this Bylaw may be posted, issued, mailed, served, or delivered in the course of the Development Officer's duties

9.0.0 ENFORCEMENT**9.1.0 RIGHT OF ENTRY**

9.1.1 Pursuant to the MGA, an authorized person may enter into or upon any land or building within the municipal boundary for the purpose of ensuring compliance with the MGA, this Bylaw and approvals granted under this Bylaw.

9.1.2 The Development Officer and the Bylaw Enforcement Officer are designated as the “authorized persons” for purpose of Section 9.1.1.

9.2.0 Contravention

9.2.1 Any owner, lessee or occupant of land, or a building or a structure thereon, who contravenes any provisions of this Bylaw commits an offence.

9.2.2 Any contractor, worker or other person who undertakes development for which a development permit is required but has not been issued or is not subsisting under this Bylaw, or is in contravention of a condition of a development permit issued under this Bylaw, commits an offence.

9.2.3 Where the Council or a person appointed by it carried out an order, the Council shall cause the costs and expenses incurred in carrying out the order to be placed on the tax roll and that amount shall be collected in the same manner as taxes on land.

9.2.4 When it appears to the Development Officer that a development permit has been obtained by fraud or misrepresentation, the Development Officer may suspend or cancel the development permit.

9.3.0 Offenses and Penalties

9.3.1 The MGA should be consulted with regard to the offenses and penalties of contravening regulations or orders.

9.3.2 Where a person is found guilty of an offence under Section 9.0.0, the court may, in addition to any other penalty imposed, order the person to comply with the MGA, the regulations, this Bylaw, a subdivision approval or a condition attached to a subdivision approval, as the case may be.

10.0.0 BYLAW AMENDMENT PROCESS**10.1.0 APPLICATION AMENDMENT PROCESS**

10.1.1 Any amendment of this Bylaw shall be made by an amending by-law pursuant to the MGA, following a public hearing in accordance with the MGA. If the proposed amendment is at variance with adopted statutory plans, the Development Authority shall advise the applicant that the amendment must be made to the statutory plans prior to or concurrently with the amendment to this Bylaw.

10.1.2 An application for amendment may be made by an owner of a property, or his authorized agent or other person(s) having a legal interest in the property and shall be made to the Development Authority for processing and referred to the Council.

10.1.3 Council may initiate an amendment to this Bylaw by directing the Development Authority to prepare an application form.

10.1.4 An applicant may be required to submit an Area Structure Plan for approval by council prior to redistricting the land.

10.1.5 Where an amendment to change this Bylaw is refused another application with respect to the same site, for a change in land use designation may not be submitted until at least six (6) months after the date of refusal, unless otherwise directed by Council pursuant to the MGA.

10.1.6 The cost of advertising for the public hearing on the matter shall be borne by the applicant.

10.1.7 As required by the MGA, Council must include in the notice of amending bylaw, which is advertised in a newspaper circulating the in the Municipality:

- a) the municipal address, if any, and legal address of the parcel of land; and
- b) a map showing the location of a parcel of land.

10.2.0 PLANS AND INFORMATION REQUIREMENTS

10.2.1 A statement of the reasons for the request to amend the Bylaw;

10.2.2 A properly dimensioned map of an appropriate scale indicating the property to be amended, its relationship to existing land uses within a 1 km (0.62 mi.) radius of the boundaries of the property and any prominent geographic or natural features;

10.2.3 The appropriate fee as amended from time to time by Council Resolution; and

10.2.4 Where the applicant is an agent acting for the owner, a letter from the owner(s) verifying the agent's authority to make the application.

11.0.0 GENERAL LAND USE REGULATIONS AND PROVISIONS**11.1.0 DWELLING UNITS ON A SITE**

11.1.1 Unless otherwise stipulated in this Bylaw only one single detached residential dwelling shall be allowed on a site.

11.2.0 Site Dimensions

11.2.1 No permit shall be issued for any development on a site, the area or width of which is less than the minimum prescribed for the district in which the site is located. A site of separate record in the Land Titles Office containing less than the required minimum area or width may be used subject to the discretion of the Development Authority if all other requirements of this Bylaw and amendments hereto are observed.

11.2.2 Area, width and depth requirements specified in the districts do not apply to a municipal or an environmental reserve site or a site to be used for public utility purposes.

11.3.0 Special Setback Requirements

11.3.1 Sites other than corner sites which have frontages on two streets are recognized as having two front yards and the development shall comply with the setbacks for the respective district.

11.3.2 For discretionary uses, yards in excess of the minimum requirements may be required when deemed necessary by the Development Authority.

11.3.3 A freestanding sign must be located so as to comply with the front yard setback requirements applicable to the principal building unless otherwise provided.

11.3.4 The minimum distances required for yards do not apply to:

- a) construction wholly beneath the surface of the ground;
- b) unenclosed patios, decks, sidewalks when any portion does not rise above the finished ground elevation and are wholly within the site;
- c) eaves which project onto a yard, a distance not exceeding 0.61 m (2.00 ft);

05-914 Adopted November 07, 2005

- d) balconies, fireplaces, sills, canopies, and cornices which project onto:
 - i) a front yard a distance not exceeding 0.61 m (2.00 ft);
 - ii) a rear yard a distance not exceeding 1.5 m (4.92 ft); and
 - iii) only one of two required 1.22 m (4.00 ft.) side yards a distance not exceeding 0.61 m (2.00 ft.); and
 - iv) either required 1.5 m (4.92 ft) side yards a distance not exceeding 0.61 m (2.00 ft.)

05-914 Adopted November 07, 2005

- e) steps which may encroach 1 m (3.28 ft.) into a side yard setback except into the unobstructed side yard of a laneless subdivision.

05-914 Adopted November 7, 2005

- f) In residential districts utility / garden sheds may occupy yards to a maximum cumulative area of 20 m² (215 sq ft). These structure(s) shall not have a permanent foundation; eaves shall not encroach into an adjacent property, shall not exceed 10 m² (107.6 sq ft.) in area, shall not exceed 3 m. (9.84 ft) in height or cause an obstruction for emergency access to the rear yard, and may project over or onto a required minimum yard as follows:

- i) rear yard – no limit

05-911 Adopted October 3, 2005

- ii) side yard – no limit

When the site is to be developed for duplexes or multi-unit housing, the following exceptions apply:

- (a) where each half of a duplex, no side yard shall be required on the side of the dwelling unit which abuts the adjacent dwelling unit by means of a fire separation; and
- (b) where the dwelling units of a row house building, no side yard shall be required on either side in the case of an internal dwelling unit and no side yard shall be required on the interior side of the end dwelling unit.

11.4.0 SETBACK AND DEVELOPMENT ON LANDS SUBJECT TO FLOODING OR NEAR SLOPES

11.4.1 Lands Subject to Floods

- a) all proposed buildings or structures shall be sited a distance of 30m (98.42 ft) from the Flood Risk Area, defined as the 1 in 100 year flood zone, of the Sheep River and established in the *Canada Alberta Flood Damage Reduction Program, Flood Risk Map, Edition 1, 1996* (See Schedule “B”). The approximate location of the Floodway and Flood Fringe areas in the Municipality are hereby established.
- b) Notwithstanding 11.4.1 (a) development in the 30m setback area as established above and/or the Flood Fringe area of the Sheep River may be permitted provided that adequate protection from flood damage is provided. Applicants must demonstrate to the satisfaction of the Development Authority that preventive engineering and construction measures can be instituted to make the site suitable for proposed development.
- c) It is the responsibility of the developer to provide adequate protection against flooding, settlement and slumping, and to engage such professional assistance as shall be necessary to protect the development.
- d) Subject to Alberta Environmental Protection, no development or use other than those listed below may be permitted in the Floodway of the Sheep River:
 - i) temporary structures for agricultural use;

- ii) public parks;
 - iii) roads and parking (parking limited to parking associated with public parks);
 - iv) bike and ski trails;
 - v) flood control structures;
 - vi) natural areas;
 - vii) boat and canoe launch areas;
 - viii) extensive agriculture;
- e) Additions or enlargements made to existing buildings in the Flood Fringe area require flood proofing measures.
 - f) No inside or outside storage of hazardous materials, such as chemicals, explosives, flammable liquids, toxic or waste materials that cannot be readily removed in the event of flood shall be allowed in the flood risk area.

11.4.2 Lands Adjacent to Slopes

- a) All proposed buildings or structures adjacent to an escarpment or a slope where the grade exceeds 15% shall be sited:
 - i) at least 30m (98.42 ft) from the top of the escarpment or slope as determined by Council; and
 - ii) at least 30m (98.42 ft) from the toe of the escarpment or slope as determined by Council.
- b) Notwithstanding the district regulations, no development shall be permitted 30m (98.42 ft) from the top or toe of an escarpment bank or from any steep slope where the grade exceeds 15% unless the proposed development is proven to be safe through engineering studies. The Development Authority may at their discretion reduce the setback requirements if the applicant provides satisfactory study of bank stability, or approval from Alberta Environment.

11.5.0 DEVELOPMENT IN THE VICINITY OF PRIMARY AND SECONDARY HIGHWAYS

11.5.1 No development permit shall be issued for development within 0.8 km (0.49 mi.) of the boundary of the right-of-way of a highway where the posted speed limit is 80 km per hour or over, until a permit under regulations made in accordance with the (*Public Highways Development Act*) has been issued by Alberta Transportation.

11.6.0 UTILITIES

11.6.1 Each dwelling unit in a duplex or attached housing complex shall be serviced individually and directly connected to the sewer, water and gas utility lines located within the public right-of-way.

11.7.0 ACCESSORY BUILDINGS

11.7.1 All accessory buildings shall be located at least 1.8m (5.90 ft.) from any principal

building.

11.7.2 Notwithstanding Section 11.7.1 when a building used or proposed to be used as an accessory building is located or proposed to be located closer to a principal building than 1.8m (5.90 ft.) it shall be connected to that principal building by a structural element including for purposes of example but not limited to: common foundation, common roof, common wall.

11.7.3 For the purpose of calculating yard setbacks and site coverage requirements as provided in this Bylaw, an accessory building shall be deemed to be part of the principal building if it is attached in accordance with Section 11.7.2.

11.7.4 When a site abuts a lane 6m (19.68 ft.) or less in width, the Development Authority may require a rear yard setback for accessory buildings greater than the prescribed minimum.

11.8.0 LANDSCAPING, RETAINING WALLS AND FENCING

11.8.1 Any area required to be landscaped may, at the discretion of the Development Authority, be left in its natural state or be loamed and planted with grass, trees, shrubs, and/or flowers, or similar materials or a combination thereof which enhance the appearance of the site and which complement the development thereon.

11.8.2 Where a development permit is granted, and landscaping is part of the development approval, the required landscaping must be completed within twenty four months of issuance of the permit. The Development Authority may require the applicant to provide a letter of credit or post a bond of such amount to ensure completion of any landscaping.

11.8.3 A person shall not construct a fence in a residential or commercial district which is higher than:

- a) 1 metre (3.28 feet) in the front yard or in the case of a site in the Central Business District, within 3 metres of the front yard property line, or
- b) 2 metres (6.56 feet) in a side or rear yard

03-873 Adopted November 3, 2003

11.8.4 The height of a fence in an industrial or urban reserve shall be determined by the Development Authority.

11.8.5 With the exception of the Urban Reserve District no fence shall be of barbed wire construction below a height of 2m (6.56 ft.).

11.8.6 Electric fences shall be prohibited within the municipal boundaries.

11.8.7 Retaining walls greater than 1m (3.28 ft.) in height require an Engineers stamp of approval to the satisfaction of the Development Authority.

11.9.0 OUTSIDE STORAGE AND GARBAGE STORAGE

11.9.1 Garbage shall be:

- a) stored in weatherproof and animal proof containers;
- b) managed in accordance with the Town of Turner Valley Refuse Bylaw;

- c) screened from adjacent sites and public thoroughfares; and
- d) in a location easily accessible for pickup.

11.9.2 Outside storage where permitted shall be screened from adjacent sites and thoroughfares to the satisfaction of the Development Authority.

11.9.3 Outside storage of recreation vehicles will be allowed on properties where there is a permanent residence on the site in a residential or Urban Reserve District to a maximum of two.

11.9.0.A TEMPORARY CAMPING

11.9.1.A No camping will be allowed on any properties unless there is a permanent residence on the site or unless a development permit has been issued for a campground.

11.10.0 RELOCATION OF BUILDINGS

11.10.1 Where a development permit is to be approved for the relocation of a building either on the site or from another site, the Development Authority shall require the applicant to provide a performance bond or letter of credit in the minimum amount, as determined by the Development Authority to insure completion of any renovation set out as a condition of the approval of a permit and to cover costs in the event of any damages to public, quasi-public utilities as a result of a relocation.

11.10.2 All structural and exterior renovations to a relocated building are to be completed within one year of the issuance of the development permit.

11.10.3 Whenever a relocation is carried out, the person causing the same to be made shall at his own expense, protect from displacement, any wall, sidewalk or roadway liable to be affected by such relocation and shall sustain, protect and underpin the same so that they will remain in the same condition as before the relocation was commenced.

11.10.4 In order to determine that the building would meet the requirements of this Bylaw, the Development Officer may travel to inspect the building which is proposed to be moved in, or may request another qualified person to do so and to report back. In either case the expenses of such an inspection shall be paid by the applicant before any development permit is issued.

11.11.0 NON-CONFORMING USES AND BUILDINGS

11.11.1 A non-conforming building may continue to be used but the building shall not be enlarged, added to, rebuilt or structurally altered, except:

- a) as may be necessary to make it a conforming building; or
- b) as may be deemed necessary by the Development Officer for the routine maintenance of the building.

11.11.2 If a non-conforming building is damaged or destroyed by fire or other causes to an extent of more than 75% of the value of the building above its foundation, the building shall not be repaired or rebuilt except in conformity with the provisions of this Bylaw.

11.11.3 A non-conforming use of land or a building may be continued, but if that use is discontinued for a period of six (6) consecutive months or more, a future use shall conform to

the provisions of this Bylaw.

11.11.4 The use of land or of a building is not affected by reason of a change of ownership, tenancy or occupancy of the land or building.

11.11.5 A non-conforming use of part of a building may be extended throughout the building but the building, whether or not it is a non-conforming building, shall not be enlarged or added to and no structural alterations shall be made thereto or therein.

11.11.6 A non-conforming use of part of a site shall not be extended or transferred in whole or in part to any other part of the site and no additional buildings shall be erected upon the site while the non-conforming use continues.

11.11.7 No existing building or structure shall be deemed a non-conforming building because of non-compliance with a metric equivalent used in this Bylaw where it conformed to the imperial measurement used in the Zoning Bylaw 386 at the date of its repeal or Bylaw 98-753 at the date of its repeal.

11.11.8 When a building is a non-conforming building solely by reason of its encroachment into a required front, side or rear yard or inadequate parking, the Development Authority may allow an extension of or an addition to the building if such extension or such addition will not in itself constitute an encroachment into any required yard and if such extension or addition complies with the provisions of this Bylaw.

11.11.9 When a building is a non-conforming or a non-complying building on a site, a subdivision of the site may be allowed if the proposed new site to be created complies in all other respects to the provisions of the Bylaw.

11.12.0 DRAINAGE

11.12.1 Any area requiring landscaping or topographic reconstruction shall be landscaped and/or reconstructed so that the finished surface contours do not direct surface drainage onto an adjoining site.

11.13.0 CONTROLLED APPEARANCE

11.13.1 The design, character and appearance of any building, or series of buildings, structure or sign proposed to be erected or located in any district, must be acceptable to the Development Authority having due regard to the amenities and the character of existing development in the district, as well as to its effect on adjacent districts.

11.14.0 DEMOLITION OF BUILDINGS

11.14.1 Where a development permit is to be approved for the demolition of a building the Development Authority may require the applicant to provide a performance bond or a letter of credit in the minimum amount as determined by the Development Authority to cover costs of reclamation and damage to public, quasi-public utilities.

11.14.2 Whenever a demolition is carried out the person causing the same to be made, shall, at his own expense, protect from displacement any wall, sidewalk or roadway or other utility liable to be affected by such demolition and shall sustain, protect and underpin the same so that they will remain in the same condition as before the demolition was commenced and that adequate measures shall be taken by way of fencing and screening to ensure the general public safety.

11.14.3 Whenever a development permit is issued for the demolition of a building it shall be a condition of the permit that the site shall be properly cleaned, with all debris removed, and left in a graded condition.

11.15.0 APPLICATION FOR SUBDIVISION

11.15.1 A subdivision application shall include the following information:

- a) a completed Subdivision Application form signed by the registered landowner;
- b) a current copy of the Certificate of Title, to be no more than two weeks old;
- c) the Plan of Subdivision or other instrument of subdivision;
- d) the application fee plus any additional fees for each lot being created.

11.15.2 The Subdivision Authority will not accept an incomplete subdivision application.

11.15.3 The Subdivision Authority may impose conditions of approval, including development agreements, as referred to in the MGA.

11.15.4 Subject to the provisions of the MGA, the Subdivision Authority may require land or cash in lieu for roads, public utilities, and municipal and school reserve.

11.15.5 A Subdivision Authority may require the owner of a parcel of land that is the subject of a proposed subdivision to provide part of that parcel of land as environmental reserve if it consists of:

- a) a swamp, gully, ravine, coulee or natural drainage course;
- b) land that is subject to flooding or is, in the opinion of the Subdivision Authority, unstable, or
- c) a strip of land, not less than 6 metres in width, abutting the bed and shore of any lake, river, stream or other body of water for the purpose of:
 - i) preventing pollution, or
 - ii) providing public access to and beside the bed and shore.

11.15.6 If the owner of a parcel of land that is the subject of a proposed subdivision and the Municipality agree that any or all of the land that is to be taken as environmental reserve is instead to be the subject of an environmental reserve easement, a caveat may be registered against the land in favour of the Municipality at a Land Titles Office.

11.15.7 The environmental reserve easement must:

- a) identify which part of the parcel of land the easement applies to, and

- b) require that land that is subject to the easement remain in a natural state as if it were owned by the Municipality.

11.15.8 The Plan of Subdivision shall:

- a) indicate the location, dimensions and boundaries of the land to be subdivided;
- b) clearly outline the land which the applicant wishes to register in a Land Titles Office;
- c) show the location, dimensions and boundaries of:
 - i) each new lot to be created;
 - ii) the reserve land, if any;
 - iii) the right-of-way of each public utility; other right-of-ways; and
 - v) building envelopes for each lot based in the applicable district;
- d) show the location and dimensions of buildings on the land that is the subject of the application and specify whether the buildings are proposed to be demolished or moved, if any;
- e) show the location of any exiting or proposed railway lines or spur tracks.

11.15.9 The application may be made by means of an instrument other than Plan of Subdivision if:

- a) a parcel is to be subdivided into not more than two lots;
- b) no public roadway or reserve land is required to be provided;
- c) the Land Titles Registrar does not require a Plan of Subdivision.

11.15.10 Applications made by means of an instrument other than a proposed Plan of Subdivision shall include a sketch showing:

- a) the location, dimensions and boundaries of the land to be subdivided;
- b) the location, dimensions and boundaries of each new lot to be created;
- c) the location and dimensions of buildings on land that is the subject of the application and specify which buildings are proposed to be demolished or moved, if any.

11.15.11 The Subdivision Authority may also require an applicant to submit any or all of the following:

- a) a map of the land that is to be subdivided and shows topographic contours at not greater than 1.5m intervals and related to the geodetic datum, where practicable;

- b) if the proposed subdivision is not to be served by a water distribution system, the provision, availability and suitability of potable water on the land to be subdivided shall be demonstrated by an engineering assessment;
- c) an assessment of subsurface characteristics of the land that is to be subdivided including, but not limited to, susceptibility to slumping or subsidence, depth to water table and suitability for any proposed onsite sewage disposal system;
- d) if the land that is the subject of an application is located in a potential flood plain and flood plain mapping is available, a map showing the 1:100 flood;
- e) if a proposed subdivision is not to be served by a wastewater collection system, the intended method of providing sewage disposal facilities to each lot in the proposed subdivision shall be demonstrated through an engineering assessment;
- f) information respecting the land use and land surface characteristics of land within 0.8 kilometres of the land proposed to be subdivided;
- g) if any portion of the parcel of land affected by the proposed subdivision is situated within 1.5 kilometres of a sour gas facility, a map showing the location of the sour gas facility;
- h) a conceptual scheme that related the application to future subdivision and development of adjacent areas.

11.16.0 DECISIONS ON SUBDIVISION APPLICATIONS

11.16.1 PROCESSING

Once a subdivision application has been received, Section 5(3) of the Subdivision and Development Regulations specifies which agencies an application must be referred to. They may be circulated to the following:

- a) the school authority having jurisdiction over the land to be subdivided;
- b) the Deputy Minister of the Department of Environmental Protection;
- c) the owner of any public utility which services the land of the area being subdivided;
- d) the Deputy Minister of Transportation and Utilities;
- e) the Deputy Minister of the Minister responsible for administration of the (*Public Lands Act*);
- f) the Alberta Energy and Utilities Board;
- g) the Deputy Minister of the Minister charged with the administration of the (*Historical Resources Act*);
- h) if the land is situated within an irrigation district, the Board of Directors of the district;
- i) the Municipality within which the land is proposed to be subdivided if the Council or a designated officer is not a Subdivision Authority for that Municipality;

- j) each municipality that has a boundary adjacent to land that is subject to the application for subdivision unless otherwise provided for in the applicable inter-municipal development plan;
- k) any other person and local authorities that the Subdivision Authority considers necessary.

11.16.2 NOTICE

A notice of the subdivision application is mailed, by regular mail, to owners of the land adjacent to the land that is the subject of the application. The notice shall describe the nature of the application, the method of obtaining further information about the application, a map of the subdivision, the manner and time within which written submissions may be made to the Subdivision Authority, and the time and date a decision on the application will be made, per Section 653 of the MGA.

The Subdivision Authority shall consider the comments of those persons to whom an application for subdivision approval is referred, but is not bound by them.

11.16.3 TIME FRAME

Upon receiving a completed subdivision application, the Municipality must issue a decision within sixty days of the date received.

If a decision cannot be issued within the prescribed time, the MGA allows the Municipality to enter into a Time Extension Agreement with the applicant. If the applicant chooses not to enter into a Time Extension Agreement, they may file an appeal according to Section 8 of this policy, on the basis of a deemed refusal.

11.16.4 DECISIONS

Once a decision has been made on an application, the decision must be issued to the applicant. The decision is issued on a Decision Form along with an attached sketch. The notice of decision may be approved and may contain conditions of approval, or it may be refused and must provide reasons for the refusal. The decision is not considered valid until it is issued to the applicant in writing. The decision is valid for one year from the date of decision.

11.16.5 ENDORSEMENT AND CONDITIONS MET

Prior to registration of the subdivision at the Land Titles Office, the applicant must obtain the endorsement of their registerable instrument from the Subdivision Authority.

The Municipality is responsible to ensure that the final plan submitted complies with what was approved by the Subdivision Authority and that the applicant has met all the conditions of approval.

The applicant shall be required to notify the Municipality once conditions of subdivision approval have been met. The Municipality shall verify that conditions have been met and upon confirmation shall authorize the endorsement of the registerable instrument.

11.16.6 REGISTRATION

Upon receipt of an endorsed registerable instrument the applicant is responsible for submitting the document to the Land Titles Office for registration. The applicant has one year from the date of endorsement to register the subdivision.

If for some reason the applicant cannot finalize their subdivision within one year, he may apply to Council for an extension period of one year.

11.17.0 APPEALS ON SUBDIVISION DECISIONS

11.17.1 The subdivision process allows for an appeal against a decision of the Subdivision Authority. Appeals are filed with either the Subdivision and Development Appeal Board or the Municipal Government Board in Edmonton, pursuant to the MGA.

11.17.2 The MGA specifies who may file an appeal:

- a) the applicant for subdivision;
- b) the local Municipality;
- c) the school authority, with respect to reserves.

11.17.3 An appeal filed by the applicant, Municipality, or school authority must be filed within thirty days of receipt of the written decision.

The relevant appeal board may approve, conditionally approve, or refuse the application and is not bound by the subdivision and development regulation.

Warehouses	1 space/1,858m ² (20,000 sq. ft.). Minimum of two spaces.

28.1.2 A parking space shall be located on the same site as the building or the use for which it is required and shall be designed, located and constructed to the Municipality's standards so that:

- a) it is easily accessible to the vehicle intended to be accommodated there;
- b) it can be properly maintained;
- c) it is in conformity with the requirements as outlined in 28.1.1 and the stall width, angle, and depth, along with the aisle width conforms to 28.1.9 and are indicated on the site plan; and
- d) it is satisfactory to the Development Authority in size, shape, location, grading and construction.

28.1.3 A loading space shall have an area of not less than 28m² (301.40 sq. ft.), 3.5m (11.48 ft.) in width, and 3.5m (11.48 ft.) of overhead clearance.

28.1.4 Any parking space or any loading space shall be developed to Municipal standards.

28.1.5 When a building is enlarged, altered, or a change in the use occurs in such a manner as to cause a more intensive use of that building, provision shall be made for the additional parking spaces required as a result of the enlargement, alteration, or change in the use of the building, in addition to any parking spaces that may have been removed due to the enlargement or alteration.

28.1.6 Curbs, concrete bumpers or fences shall be provided to the satisfaction of the Development Authority.

28.1.7 The on-site parking shall be provided in the manner shown on the approved site plan with the entire area to be graded and surfaced so as to ensure that drainage will be confined to the site and disposed of in a manner satisfactory to the Development Authority.

28.1.8 Notwithstanding Section 28.1.1 and excluding residential districts should the Development Authority deem it advisable, it may:

- a) accept a payment in lieu, on the number of on-site parking spaces deficient, which payment shall be based on the amount of money Council considers reasonable in lieu of the equivalent parking space to be provided by the Municipality elsewhere in the same district in which the development is proposed;
- b) require the developer to provide the required off-street parking on land other than that to be developed provided that:
 - i) the alternate parking site is within 122m (400.26 ft.) of the site where the principal building is located or where the approved use is carried on and within the same district in which the development is proposed;
 - ii) the alternate parking site is under the absolute control of the developer or his successor to the principal development for a term of years equal to the life of the approved principal development and that the said alternate parking site shall be maintained and made available at all times in a like manner to on-site parking;
 - iii) the absolute control is established to the satisfaction of the Council;
 - iv) should the developer or his successor to the principal development seek the consent of the Municipality to discontinue the use of an approved alternate parking site, he shall provide a substitute parking site that conforms to the criteria required for an on-site parking space;
 - v) when the developer or his successor is authorized by the Municipality to provide one or more alternative parking sites, he shall enter into an agreement under seal with the Municipality deposing as to these and such other relevant things as the Municipality may require and the said agreement shall be in such form as may be registered and maintained on the title or titles to such lands in the Land Titles Office.

28.1.9 Parking spaces shall be designed and provided in accordance with Table 3.

28.1.10 Parking and loading requirements for other similar uses as set out in Section 28.1.1 shall be provided as determined by the Development Authority.

29.0.0 SIGN CONTROL

29.0.1 Excepting traffic control signs and those temporary signs outlined in Section 3.2.0, all signs shall comply with the provisions set out for the district in which the sign is to be located.

29.0.2 No sign shall be erected so as to obstruct free and clear vision of vehicular traffic, or be located, or display a light intensity or color where it may interfere with, or be confused with any authorized traffic sign, signal or device and in so doing create a traffic hazard or create a nuisance in a residential neighbourhood.

29.0.3 Within the commercial, highway commercial and industrial districts, signs shall not project over any abutting public roadway or municipality-owned property or easement, unless the Council grants such encroachment and the applicant or owner enters into an encroachment and a save-harmless agreement with the municipality.

06-923 Adopted

29.0.4 Portable freestanding signs may be permitted at the discretion of the Development Authority.

29.0.5 Within a residential district, one identification sign per site may be permitted as follows:

- a) a fascia sign which does not exceed 1,000 cm² (155 sq. in.) in area to identify a home occupation in a residential district;
- b) a freestanding sign or fascia sign to identify an apartment building, mobile home community or other non-commercial use and which does not:
 - i) exceed 1.5m² (16.14 sq. ft.) in area; or
 - ii) project within 0.61m (2.00 ft.) from the property line; or
 - iii) exceed 3.5m (11.48 ft.) in height.

29.0.6 The message on a sign shall relate to the use of the parcel(s) on which the sign is located.

29.0.7 Advertising Signs:

- a) Community advertising signs shall only be allowed in the CB, C-HWY, M-1, M-2 and UR districts.
- b) Community advertising signs shall:
 - i) have a low profile and blend in with the surrounding area;
 - ii) be permanent and stationary;
 - iii) not contain lighting depicting action or movement to create special effects or a pictorial scene; and
 - iv) be constructed of maintenance free materials.

- c) The number, size and location of community advertising signs shall be determined by the Development Authority.
- d) Notwithstanding Section 29.0.7 community advertising signs containing messages related to businesses may be located on parcels other than the parcel upon which the business occurs.

29.0.8 Within a commercial or industrial district, identification or directional signs may be allowed as follows:

- a) freestanding signs provided that:
 - i) the maximum height shall not exceed 9 m (29.53 ft.);
 - ii) the total sign area for each face shall not exceed 9 m² (96.88 sq. ft.);
 - iii) a sign shall not project within 0.61m (2.00 ft.) back from a property line;
- b) fascia signs provided that the total copy area of a sign or signs shall not exceed 20% of the face of the building or bay to which the sign is attached.
- c) roof signs provided that they are erected without any visible means of support and are architecturally integrated with the building upon which they are located (to the satisfaction of the Development Authority). Such signs, or any part thereof, shall not rotate or employ any flashing or intermittent lights, or devices or means to create the impression of flashing lighting. Roof signs shall not exceed a total sign area for each face of 9m² (96.88 sq. ft.). The height of sign and building shall not exceed 2m (6.56 ft.) over the maximum building height limit of the district in which they are or are proposed to locate.

29.0.9 Within the Urban Reserve District, identification or directional signs may be allowed as follows:

- a) one fascia sign per site which does not exceed 1,000 cm² (155 sq. in.) in area to identify a home occupation in residential districts;
- b) one freestanding directional sign per site which does not exceed 1m² (10.76 sq. ft.) in area nor 3.5m (11.48 ft.) in height;
- c) one freestanding or fascia sign per site which does not exceed 3.5m² (37.67 sq. ft.) in area nor 6m (19.68 ft.) in height to identify the permissible use in the district.

29.0.10 In considering a development application for a sign, the Development Authority shall have due regard to the amenities of the district in which the sign is located and the design of the proposed sign.
