

# Utility Billing Information

## Effective March 1, 2016

### **Utility rates are based on a two-month billing period**

**Residential Water** – the base rate for water is \$33.00 regardless of how much water is used. In addition:

- usage between 0.00 – 10 cubic meters is charged at \$2.15 / cubic meter.
- usage between 10.01 – 20 cubic meters is charged at \$2.20 / cubic meter.
- usage between 20.01 – 30 cubic meters is charged at \$ 2.25 / cubic meter.
- usage between 30.01 – 45 cubic meters is charged at \$ 2.30 / cubic meter.
- usage above 45 cubic meters is charged at \$2.35 / cubic meter.

**Residential Sewer** is based on water consumption – sewer is charged at 100% of the water billed in the period.

**Garbage Collection** is \$21.00 / 2 months

Solid waste collection days are Tuesday for NE & NW residents, and Wednesday for SE and SW residents. Please have bins ready for collection by 7:00 am. All garbage must fit in the cart, and the lid must close. No additional waste will be collected. For more information, please call the office at 403.933.4944.

**Residential Recycling** rate is \$12.00 / 2 months (Note: The Town of Turner Valley does not offer recycling pickup, but encourage residents to utilize the Oilfields Recycling Centre located at 106 Royal Ave NE; at the east end of the Fire Hall)

### **Water Restrictions**

Residents are encouraged to conserve water by restricting outdoor water use to according to the following schedule (outdoor water use includes: watering lawns, filling hot tubs, washing vehicles, sidewalks, pads, building exteriors etc.):

ODD and EVEN WATERING DAYS: The last number of your residential address (odd or even) determines which days outdoor water use should be undertaken:

ODD: numbered addresses may use water for these purposes Thursday and Sundays

EVEN: numbered addresses may use water for these purposes Wednesday and Saturdays

WATERING: It is requested watering occur only on the suggested odd even days during the following hours:  
6:00 am – 9:00 am and 7:00 pm – 11:00 pm.

NEW SOD: We encourage the watering of new sod daily for two weeks only during the following hours:  
6:00 am – 9:00 am and 7:00 pm – 11:00 pm.
