

Turner Valley Outdoor Rink

There's no better feeling than heading outdoors on a beautiful winter day, strapping on the skates and flying along the ice. The Town of Turner Valley supports (1) one Ice Rink, located between the Flare'n Derrek and the Dr. Lander swimming pool.

This rink is unsupervised and it is recommended that children or inexperienced skaters use an approved helmet while on the ice to prevent injuries.

This outdoor skating rink is weather dependent and is typically open from mid-late December through February. The Rink is flooded and cleaned as resources permit on weekdays and by registered volunteers on weekends.

Residents can access this rink free of charge throughout the winter months.

Rinks are considered to be closed when temperatures reach -23°C or greater. This facility is maintained once temperatures are low enough to sustain the ice surface by parks and recreation staff, registered volunteers, and those who choose to use the rink.

Remember to bring your shovel after a snowfall!

Please stay off the ice while it is being flooded or cleared of snow.

Please be courteous to other skaters.

Public "Skating" times are designated for skating **only**. No hockey sticks, pucks or balls permitted.

Rink lights are on until 10pm. Rinks are not for public use after this time.

This is not a supervised facility; all users participate at their own risk. For these reasons, we ask parents to encourage children to respect the above times. Appropriate safety equipment is strongly recommended.

Conditions of Use:

- Rink may be closed during hours of operation due to weather conditions or maintenance.
- 36 person maximum on rink at one time.
- Helmets are recommended for all activities.
- Slap shots are not permitted.
- Be respectful of other skaters.
- No food or beverage on the ice during skating sessions.
- Glass bottles are not permitted.
- Please keep our rink clean, place litter in the garbage cans provided.
- The wearing of Earphones are not allowed during Public Skating sessions. Skaters cannot hear others skating near them and cannot respond to an emergency. Please help us maintain the rink by bringing your own shovel and cleaning the rink before use.
- Carrying an infant on the ice is not allowed during Public Skating session due to the risk of injury to both the child and guardian.
- Pets are not allowed.
- This rink is unsupervised. Please use at own risk.
