The Board has reviewed the final costs applications and comments from the parties. The Board will not be awarding costs to the Town or the Appellants, and will not be awarding additional costs to the Appellants' consultant. The Board's reasons for these decisions will be provided as soon as possible.

The Board confirms the interim costs award of \$2,191.88 to the Appellants' consultant, WDA Engineering, for its satisfactory assistance at the hearing.

The parties should note the Board does not award costs as a punitive measure. Costs are awarded based on whether the evidence presented assisted the Board in making its report and recommendations.

Please do not hesitate to contact the Board if you have any questions. We can be reached toll-free by first dialing 310-0000 followed by 780-427-6569 for Valerie Myrmo, Registrar of Appeals, and 780-427-7002 for Denise Black, Board Secretary.
