

Friends of the Sheep River Library – Volunteer Committee Members

The Friends of the Sheep River Library are looking for volunteers to sit on its committee. The Friends raise money for library extras like concerts, author visits, guest speakers, special equipment and items that fall outside the standard library budget. We are a fun group, we meet only once every two months and we are recruiting new members for September, 2016. You need not have special expertise; your library membership and your enthusiasm for our wonderful, award-winning library are your two best qualifications. For more details please email ddaley@telus.net or newparker@hotmail.com
